

# Cub Scout Pack 46

## Model Rocket Launch Activity

**Sponsored by:**  
**Superstition Springs Spacemodeling Society**

**Date:** Sat 13 Dec 2008  
**Time:** 8:30am - 1:00pm  
**Location:** Rainbow Valley, AZ  
**Map:** See back page for Map & Directions.

**Details:**

Scouts will launch model rockets and see some really big rockets launched by the SSS Rocketry Society at Estrella Mtn Launch site.

**Instructions:**

1. Scouts/Parents need fill out a Informed Consent Agreement.
2. Scouts need to bring a pre-built model rocket to the launch site.
3. SSS Rocketry will set up a launch site for our Pack and help us launch our rockets.

**Model Type:**

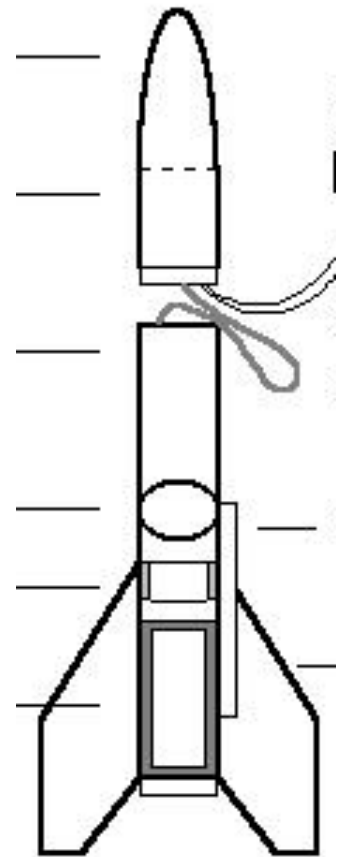

Scouts can purchase a Model Rocket kit with an rocket engine.

**Common Brands :** Estes or Sure fire Level 1

**Max Engine Size:** D size or smaller

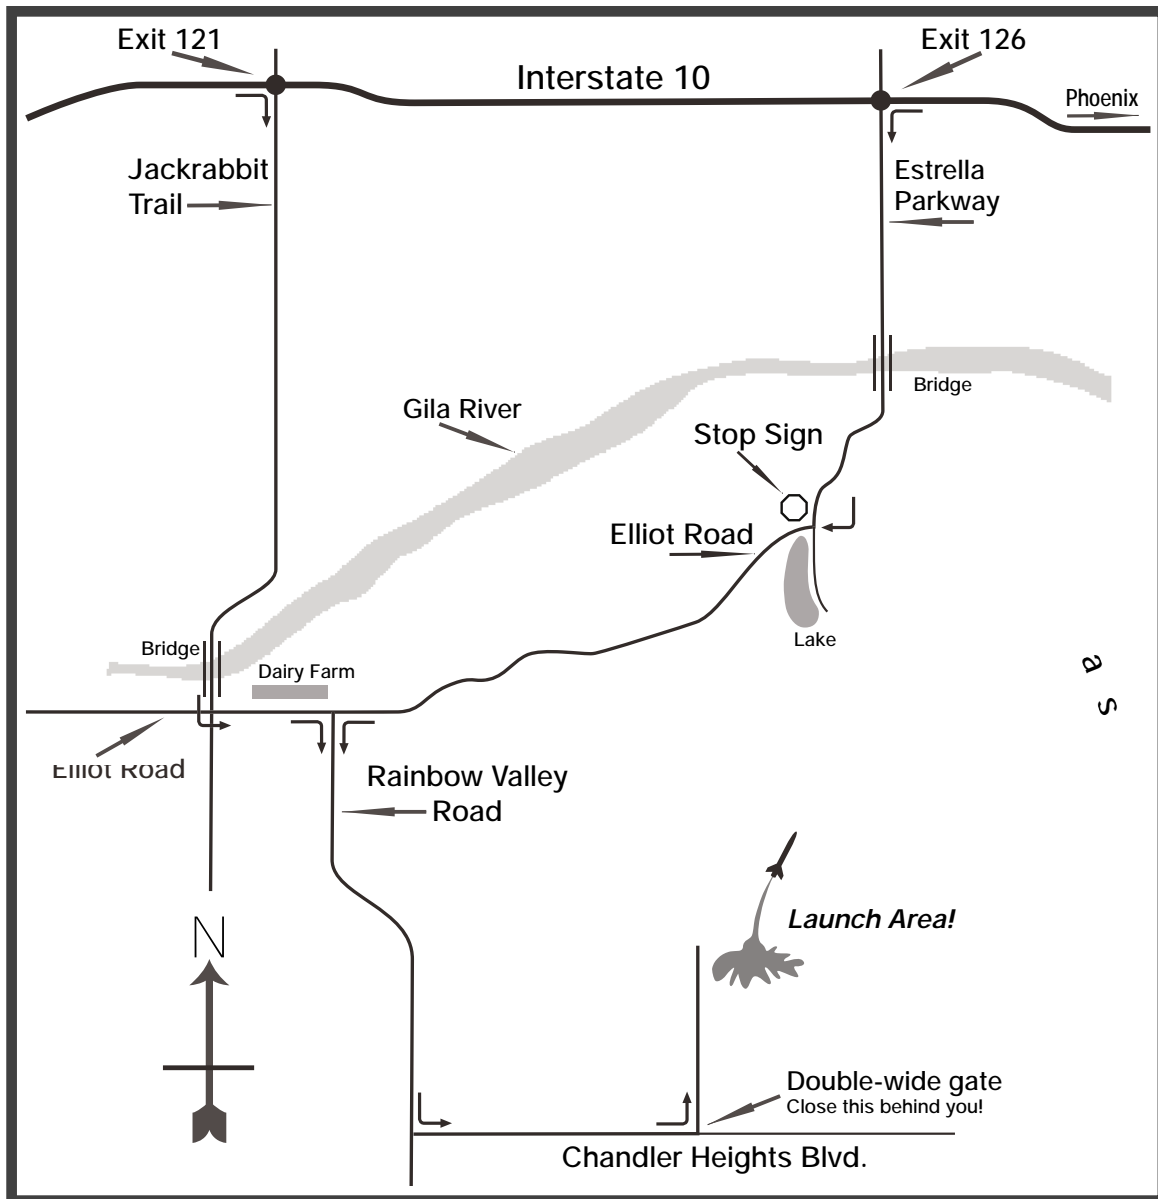

- \*\* Bring your model to the launch with the engine(s) removed.
- \*\* Parents/Adults will load engines at site.
- \*\*\* Consent forms need to be signed prior to participate at launch site.
