

# Pack 750 Newsletter

May 2006

## Recent News

### April Pack Meeting

To celebrate "Our Feathered Friends" (that was the theme), we built bird houses, talked about birds, and did other bird things. See the pack web site for some bird house building pictures.

### Memorial Day Campout

We had a great time camping at Palm Canyon in Anza Borrego Desert State Park. We hiked up to the oasis, and saw big horn sheep, frogs, rabbits, coyotes, and road runners. The creek was flowing heavily, and dozens of palm logs littered the trail from the heavy rains and flooding that occurred in winter 2005. Due to very strong winds, some of us wimps slept in our cars that night. See the pack web site for a few pictures.

### Beach Clean-up at Ponto

Our pack had its highest turnout ever for the Ponto beach clean-up on April 29. Everyone scoured the beach so well it was hard to find garbage! Great job!

### Moving on...

Many fun events are scheduled for the summer. Check the web site for details

[\(www.packsonline.com/Ca/750/\)](http://www.packsonline.com/Ca/750/).

Pack meetings will start again on the last Tuesday in September.
