Recent News

Scout Fair @ Qualcomm Stadium

The Scout Fair was a HUGE success this year for Pack 750. We ran a booth where other scouts came to earn math belt loops. We were flooded with customers making mobius strips, testing probability principles with coin flipping, and solving various other math-related conundrums. The Scout Fair is a great place to spend an entire day earning awards while viewing displays and participating in activities set up by Boy Scout and Cub Scout groups from all over San Diego County. Definitely worth the trip!

April Pack Meeting

Preparing and sharing desserts was a great hit with the scouts! News has it that many new desserts were engineered, and devoured before darkness struck!

Fun with Son Campout at Balboa

Pack 750 had a good turnout. Many great activities were offered, including the always popular BB gun and archery stations. Rumor has it that the Pack 750 motto for the weekend was, "Fire is our friend. How can we make more?"

COMMUNITY SERVICE PROJECTS

Beach Clean-up in Carlsbad

The beach clean-up was a great success. Please refer to the back page for details.

Battery Recycling

Continue to bring your dead batteries to the pack meetings!

Beach Clean-up in Carlsbad

The beach clean up crew from Pack 750 was able to make another huge impact in cleaning up San Diego's best treasure, the BEACH. Pack 750 showed tremendous support with a strong showing of energetic Cub Scouts, armed with tools of the clean-up trade. Below is a picture of part of the 2007 Pack 750 clean-up crew.

Congratulations on a job well done!
