

Camping & Outdoor Activities

Camping and outdoor activities are an integral part of Scouting. We do our best to provide age appropriate outdoor experiences for the Cub Scouts & Webelos, preparing them for the serious camping they will do when they are older and in Boy Scouts. The older boys in Boy Scouts have high adventure opportunities open to them including hiking through the mountains in New Mexico, white water rafting trips, and winter camping.

We are a little less adventuresome in Cub Scouts, but we try to give the boys a healthy respect for the outdoors – and we have an absolute blast!!!!

Equipment - The boys can have some great camping experiences without the need for you to buy a lot of equipment. We are fortunate to have great camping facilities in the area owned by the Yankee Clipper Council. Camp Lone Tree in Kingston, NH where we do our family camping weekend, Cub Overnight Weekend (COW). The weeklong Cub Scout resident camp, has a fully equipped dining hall, tents & cots for the boys. They do need to bring a sleeping bag or blankets. The Webelos (4th & 5th graders) have opportunities to camp with Boy Scout Troops in town. The Pack owns some camping equipment. We have tents, coolers, and cooking sets that were donated by Troop 25 from Lowell, MA.
