

Overnight Camping Trip

On the weekend of November 11th and 12th Pack 8 will be going on an overnight camping trip to Camp Massasoit in Plymouth, MA. This camping trip is on the same weekend as the trip to Plimoth Plantation. Anyone who is not going to visit Plimoth Plantation with the pack can still attend the camping trip, just drive down on Saturday afternoon and meet up with everyone after they arrive from the plantation.

The cabin is setup to hold 24 people. If a scout wishes to attend he must be accompanied by a parent or other adult family member.

Price:

The price will be \$10.00 per occupant. This includes the cost of the cabin and all meals during our stay. A couple of Den leaders will go food shopping before the trip and we will be responsible for preparing our own meals.

What you will need:

1. It will be cold and since we will try to spend as much time outside as possible remember to pack clothing that will keep you warm. The cabin is heated but you will need to dress appropriately outside.
2. There is a running toilet and since we will only be there for one night you will only need to bring a few basics (toothbrush/toothpaste, soap/hand sanitizer, bandages, etc).
3. Meals and snacks will be included with the price but if you would like to bring extra snacks you are welcome to. All that is asked is that you bring enough to share with everybody.

If interested:

Please fill in the name of the scout, the name of their parent/relative that will accompany them, a home phone number, and the name of your den and return to Mike Brunco (Webelos 2) before the October 30th den meeting. Thank you!

Scout Name	Parent/Relative Name	Home Phone #	Den Name
