Den 2 Flag Ceremony

Next Month's Theme: WHEN I GROW UP

Explore career possibilities of the 21st century this month. Discover how having a positive attitude is essential in reaching career goals. Den meeting plans could include field trips to learn about different occupations of interest to the boys and playing games centered on different jobs. This would be a good month to work on any of the Cub Scout Academics and Sports belt loops and pins - let the boys vote on the one that fits best with what they want to be when they grow up.

Bear den

The Bears had an awesome time at the Pinewood Derby last month. It was a lot of fun seeing everyone's creations and watching them race down the track. At our Den meeting on 02/11, the boys made stands for there Derby cars. Special thanks to Mr. Dave Warner for designing the stand and providing kits for us. It was great fun!

Wolf den

At our first Feb meeting, we decoded secret messages and had fun writing invisible notes with lemon juice. For our second Feb meeting, we participated in a flag ceremony at the Comenzo's neighbor's house. We replaced their flag with a new one. We will retire the Flag later in a Flag burning ceremony.
